Why New Life Christian Book School

Christians should grow in spiritual understanding.

II Peter 3:18 says “but grow in the grace and knowledge of our Lord Jesus Christ...”

In order to grow in spiritual understanding, we must read the Bible (which is most important) and good Christian books. The Apostle Paul said to Timothy to “bring the books, especially the parchments” (II Timothy 4:13). It is important we glean knowledge from gifted teachers that the Lord has given to the body of Christ throughout the church age.

New Life Christian Book School is a compilation of Christian books covering a wide range of important topics about Christian truth and living.

These books can be bought online at amazon.com or christianbook.com (except the Pastor’s 2 books). Or, you can borrow them from New Life library at no cost. In order to finish this comprehensive Christian reading school, it will require spiritual hunger and discipline.
